

OUR STORY

It all started with a love for tried-and-true barbecue and a passion for regionally inspired meats. That in turn kick-started something special at Legacy Ventures Restaurants – a search for the greatest barbecue in the country.

LVR and its culinary team traveled the country for the best barbecue in the business, doing their fair share of research and figuring out how to bring all of their favorite barbecue flavors from Texas, Carolina, Kansas City and Memphis together in one spot – all while adding a Georgia flare.

Thus Twin Smokers was born. Promising a delicious good time for lovers of smoked meats, fresh sides, craft beer and strong cocktails to match. Our focus is on high-quality, slow-cooked barbecue and our goal is to share our favorites with Atlanta.
